

Alba Cuenca

✉ albaecuenca@gmail.com  albaecuenca.github.io  0009-0008-0240-8970

Research Interests

AOS : Epistemic Logics, Modal Logics, Conditionals

AOC: Non-Classical Logics, Formal Epistemology, Philosophy of Language, Philosophy of Ethics

Education

Jan 2022 – present **Monash University**, PhD in Philosophical Logic – Melbourne, Australia

- Expected completion date: November 2025
- Thesis: "Alternative Approaches to Epistemic Logic"
- Supervision: Dr. Ellie Ripley, Lloyd Humberstone
- Topics: Epistemic Logic, Non-classical Logics, Possible World Semantics.

2011 – 2020 **University of Buenos Aires**, Bachelor in Philosophy – Buenos Aires, Argentina

- Thesis: "Paraconsistent Approaches to Gödel's Disjunction"
- Supervision: Dr. Eduardo Barrio
- Topics: Logic, Philosophical Logic, Philosophy of Mathematics, Philosophy of the Mind, Computability.

Affiliations

2017 – present **External Researcher**, Buenos Aires Logic Group

Member of Buenos Aires Logic Group since 2017, first as an undergraduate student, and currently as a external researcher.

Jan 2018 – Dec 2019 **Undergraduate Researcher**, UBACyT Project "Las Lógicas de la Verdad" – Universidad de Buenos Aires, Argentina

Research project under the supervision of Dr. Federico Pailos and Dr. Natalia Buacar.

Publications

January 2025 **Partial Imaging and Thomason Conditionals**

Under Review

A Goal-Oriented System for Epistemic Logic

Alba Cuenca

Validity, Substructurality, and the Dilemma of Logical Omniscience

Alba Cuenca

Scholarships and Awards

2022 – 2025 **Faculty of Arts International Postgraduate Research Scholarship**, Monash University – Melbourne, Australia

Presentations

- July 2024 **Substructural Epistemic and Logic Omniscience**
XIII Workshop on Philosophical Logic, Buenos Aires Logic Group, Argentina.
- June 2024 **New Frontiers in Epistemic Logic**
Three Minutes Thesis Competition, Faculty of Arts, Monash University
- March 2024 **Partial Imaging and Thomason Conditionals**
Mathematical Logic Seminar, University of Queensland, Brisbane
- December 2023 **New Prospects for Thomason Conditionals**
Melbourne Logic Workshop, Melbourne, Australia
- November 2023 **New Prospects for Thomason Conditionals**
Australasian Association for Logic Conference 2023, Brisbane, Australia
- January 2023 **Proof-Theoretic Approaches to Epistemic Modal Logic**
Southern Summer Logic Day 2023, Online Event, Australasian Association for Logic, Australia
- November 2022 **A Goal-Oriented Proof System for Epistemic Modal Logic**
WIP Seminar, Buenos Aires Logic Group, Buenos Aires, Argentina
- October 2022 **A Goal-Oriented Proof System for Epistemic Modal Logic**
VII Brazilian Society for Analytic Philosophy Conference, Rio de Janeiro, Brasil
- July 2022 **A Goal-Oriented Proof System for Epistemic Modal Logic**
Women in Logic, 8th Federated Logic Conference, Haifa, Israel
- June 2022 **A Goal-Oriented Proof System for Epistemic Modal Logic**
Australasian Association of Logic Conference, Online Event
- December 2019 **Gödel's Disjunction, Anti-Mechanicism and Paraconsistency**
XVIII National Congress of Philosophy, Asociación de Filosófica Argentina (AFRA), Mar del Plata, Buenos Aires, Argentina
- October 2019 **Anti-Mechanicism in Debate**
VI Logic and Argumentation Conference, Universidad de General Sarmiento (UNGS), Buenos Aires, Argentina
- October 2018 **Characterizing the Truth: T-Convention and T-Biconditionals**
IV Colloquium: Why language matters to philosophy?, Centro de Estudios de Filosofía del Lenguaje (CEFILE), Rosario, Santa Fé, Argentina
- November 2017 **Discussion about Modal Realism**
V Conference of Philosophy Students, Facultad de Filosofía y Letras (UBA), Ciudad Autónoma de Buenos Aires, Argentina
- October 2017 **Dialogue and Translation Between Logics**
XVIII National Congress of Philosophy, Asociación de Filosófica Argentina (AFRA), San Juan, San Juan, Argentina

Summer Schools, Reading Groups and Additional Education

2022 – present **Reading Group**, Melbourne Logic Group
Weekly discussion meetings on different texts in the area of logic and philosophical logic between logicians from University of Melbourne and Monash University.

- July 2023 – Aug 2023 **34th ESSLLI**, University of Ljubljana, Faculty of Computer and Information Science
- 2017 – 2022 **WIP Seminar**, IF-SADAF-CONICET - Buenos Aires Logic Group
Weekly meetings to discuss scientific productions by researchers from the Buenos Aires Logic Group, as well as national and foreign guests.
- 2017 – 2022 **Annual Reading Group**, IF-SADAF-CONICET - Buenos Aires Logic Group – Buenos Aires, Argentina
Weekly discussion meetings on texts on philosophy of logic and logic.
- June 2017 **Intensive Seminar**, UBA - Buenos Aires Logic Group
"What is Negation: Truth Tables, Relational Semantics, Kripkean Semantics, Non-Deterministic Semantics, Routley Semantics"
- Summer 2016 **Intensive Seminar**, UBA - Buenos Aires Logic Group
"Topics of Logical Philosophy"

Teaching Experience

- Jan 2024 – present **PhD Teaching Fellowship**, Faculty of Arts, Monash University
- Semester 1 2025: Tutor in unit ATS2640 "Ethics of Global Conflict"
 - Semester 2 2024: Tutor in unit ATS2946 "Critical Thinking"
 - Semester 1 2024: Tutor in unit ATS1372 "Life, Death, and Morality"
- Feb 2022 – Dec 2023 **Teaching Associate**, Faculty of Arts, Monash University
- Summer Semester November 2023: Tutor in Unit ATS2946 "Critical Thinking"
 - Semester 2 2023: Tutor in Unit ATS2946 "Critical Thinking"
 - Semester 1 2023: Tutor in Unit ATS2866 "Symbolic Logic"
 - Summer Semester November 2022: Tutor in Unit ATS2946 "Critical Thinking"
 - Semester 2 2022: Tutor in Unit ATS2946 "Critical Thinking"
 - Semester 1 2022: Tutor in Unit ATS2866 "Symbolic Logic"
- 2016 – 2018 **Teaching Associate**, Facultad de Filosofía y Letras, Universidad de Buenos Aires
Assistantship in the course of Superior Logic
- I worked on developing a guide for students of the book Computability and Logic (Boolos et al., 2002), with Spanish adaptations of the chapters that are worked on in the course.

Academic Service

- Refereeing **Anonymous referee**, Journal of Applied Non-Classical Logics

Other Experience

- June 2023 – present **Exam IT Support Officer**, Monash University
- Mar 2024 – June 2024 **Volunteer Team Leader**, Monash Student Association
- Sept 2016 – Nov 2021 **Administrative Employee**, Bureau de Juegos

Skills

Languages: English (fluent), Spanish (native)
